

Public Notice

Public Notice: Amendment to Land Use Recovery Plan to remove land at Avonhead from Greenfield Priority Area

The Public Notice

Pursuant to section 22 of the Canterbury Earthquake Recovery Act 2011 the Minister for Canterbury Earthquake Recovery gives the following notice:

The Minister for Canterbury Earthquake Recovery proposes to remove the greenfield priority area, business, notation for land shown on the following map from Map A of the Land Use Recovery Plan. The Minister further proposes under section 24(1)(b) that the to the notation shown in the following Map is removed from Map A of Chapter 6 of the Canterbury Regional Policy Statement [area in question shown in following Map].

The Minister for Canterbury Earthquake Recovery invites members of the public to provide written comments on the amendment to the Land Use Recovery Plan.

Written comments received before **5pm 5 February 2016** will be considered by the Minister when deciding whether or not to change the Land Use Recovery Plan.

The proposed amendment to the Land Use Recovery Plan can be viewed on the Canterbury Earthquake Recovery Authority (CERA) website (cera.govt.nz/lurp). All feedback becomes public information.

Written comments can be emailed to info@cera.govt.nz or posted to the following address:
